

2012 Festival Trip to San Diego, California

Laguna Hills High School Choral
and Instrumental Music

Mrs. Sarah Norris and Mr. Andy Julian, Directors

Why Trips?

Taking the students on a performance trip of this kind will benefit their education in three unique ways:

1. The students will receive critique
2. Performing for a public in a community other than Laguna Hills enables the students to promote and represent their city, school, and program to others who might otherwise be unaware
3. Allows the students to bond with each other and build camaraderie and strong teamwork skills, essential to quality music performances and growth

Student Experiences

- Competitive festival performance at a San Diego school

Student Experiences

- Performance Clinic adjudicated by the music directors at Point Loma University
- Campus tour of Point Loma University
